

POLY HEADSET TRADE-IN PROGRAM

UPGRADE YOUR AUDIO AND IMPROVE PRODUCTIVITY

Productivity across your company relies on communication that is easy, accessible, and clear, no matter where people are working. This means that everyone on both sides of a call must be able to hear and speak clearly. And that means moving up to headsets that take advantage of the latest audio innovations for business.

This is your opportunity to turn existing headsets into credit from your Poly Reseller toward the advanced audio that improves communication and productivity.

The program is simple! You receive maximum value for headsets on the list below and your Poly Reseller will work with you to select the latest headsets with the crystal clear sound, noise cancelling features, and all-day comfort that fit your team's needs.

- Use the trade-in value of old headsets to upgrade to the latest Poly headsets.
- Properly dispose of old headsets within 30 days of receiving new equipment.
- Enjoy the clear communication that propels your business forward.
